Opener: If you could spend the rest of your life doing exactly what you wanted, what would you do?

How did God speak to you or work in you at church this Sunday?

Read Hebrews 8:6-12. Why is the new covenant Jesus brought superior to the old one?

What are some of the "better promises" you see mentioned in these verses?

Why is it better to have the law written on our hearts (new covenant) instead of on tablets of stone (old covenant)?

How is it that we can each know the Lord? How is this different from what was possible under the old covenant?

How does it change our approach to our own and others' shortcomings if we expect people to be changed from the inside out rather than the outside in?

Read Hebrews 9:12-15. What's the difference in the cleansing we experience under the new covenant compared to what was experienced under the old covenant?

Do you think most believers live with the hope of an eternal inheritance (v. 15)? Why or why not?

What difference does it make if we focus only on what is available to us in this life versus what is promised to us in eternity?

How can this eternal hope inform our present experience more and more?

How can we pray for one another?
